## How to use the Kangaroo Flat Primary School App!

Kangaroo Flat is proud to announce that its iPhone and iPad App is now available from the iTunes Store. It is designed to strengthen the communication between parents and the school. We look forward to hearing your feedback.

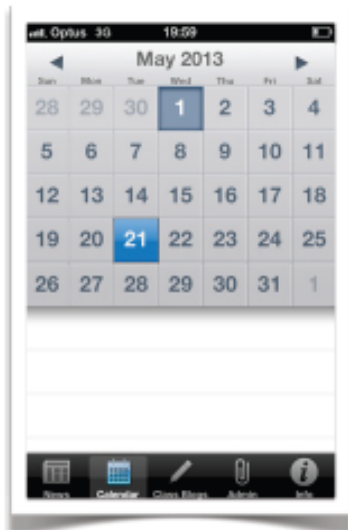

**Download it from the iTunes App store .**  
Go into iTunes App store on your iPhone/ iPad or Google Playstore for Android and search for Kangaroo Flat Primary School. Download the App for free.

### Turn on notifications.

Be sure to enable the notifications option when you download the App or later through the settings on your mobile device. This will allow you to receive reminders and messages from the school.

### Familiarise yourself with the layout, content and calendar.

Explore the different aspects of the App; from administration, to weekly newsletters, an up to date calendar and individual class blogs.

### Check in weekly!

Be sure to check in at least weekly to access all the new information. The newsletter will be uploaded each Wednesday along with updates to the calendar and classroom blogs.

**Enjoy this great resource and use it regularly!**
