

Want to know how to save money?

Free Financial Education – Workshop –

Tuesday May 1st

9.30am – 10.30am

Kidspace

23 Helm Street

Kangaroo Flat

- More than half of Aussie adults do not have enough money saved to survive if they lose their income.
- Aussies on a low income spend more money than they earn and have very little money saved in case of an emergency.

Are you tired of living pay to pay? Are you living off a low income? Do you feel out of control with your finances? All it takes is a few simple steps to get your money back on track and this workshop will show you how!

For more information phone Carol - Saver Plus Coordinator on 0439 935 516.

*** Free morning tea provided.**
